Non-Emergency Medical Transportation Services **ONLY**

As of **February 16, 2012**, Phoenix Health Plan (PHP) is changing its vendor for non-emergency transportation services across the state:

PHP's new vendor for Non-Emergency Medical Transportation:
Total Transit, who operates RideSource and Discount Cab

Please Remember: As of February 16, 2012 PHP requires you to use only Total Transit, who operates RideSource and Discount Cab when scheduling non-emergency transportation services for PHP members.

PHP's process for arranging non-emergency transportation services remains unchanged. A member can contact a representative in our Member Services Department for transportation assistance.
