

Provider Website Look Up Functions

May 25, 2010

Dear Abrazo Advantage Health Plan (AAHP) Providers:

Thank you for your patience. The AAHP website look up function is now available.

As a reminder, providers and office staff who have registered for security access to the website's Provider Portal have access to the following:

- Primary Care Physician Membership Roster (PCP only)
- Real-time Eligibility Verification
- Real-time Claims Status inquiry
- Claims Remit Review with downloading capability
- Real-time Prior Authorization Status Inquiry
- Prior Authorization On-Line submissions (COMING SOON)

Our website is an excellent source of information and resources for the following:

- Communications and Mailings
- Cultural Diversity information
- EFT Registration
- EDI Information
- Various Forms
- Formulary Listing
- On-Line Directory and Physician look up
- Practice Guidelines
- Prior Authorization Guidelines
- Provider Manual

If you have any questions, please contact your Provider Relations Representative directly or at the department number shown below.
